

Dear Parents,

West View Elementary is hosting a fundraiser for JDRF, the leading global nonprofit dedicated to funding type 1 diabetes (T1D) research, from March 8-22nd. We have many students at our school with type 1 diabetes, and we're excited to support them and help find a cure!

Type 1 diabetes (T1D) is a chronic autoimmune condition that makes the body unable to produce insulin, which is the hormone that regulates blood sugar. JDRF is leading the way for T1D research with the goal of creating a world without T1D. With your support, let's knock out T1D!

## THANK YOU FOR SUPPORTING OUR STUDENTS WITH T1D!

### PART 1

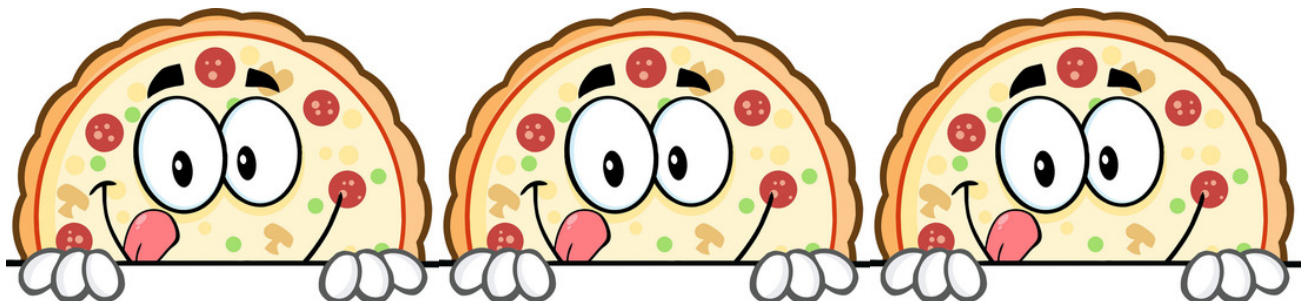

Students will collect donations at home and can bring donations to their homeroom class on any day from March 8th through March 22nd. Students will also receive a West View paper sneaker to color - be sure to color it, bring it to class, and enter the coloring contest by March 22nd for a cool prize!

Here are some fun ways to help us knock out T1D!

- Ask friends and family to support your cause
- Neighborhood lemonade stand
- Garage sale
- Bake sale
- Workplace or sports team fundraisers
- Ask local businesses to support your cause

### PART 2

Each homeroom class will add up all of their donations and the winning classroom will win a Pizza Party! Good luck to all of the classes and THANK YOU for helping to knock out T1D!

Dear Teachers,

West View Elementary is hosting a fundraiser for JDRF, the leading global nonprofit dedicated to funding type 1 diabetes (T1D) research, from March 8-22nd. Thank you for your help in running a smooth campaign! Below are the instructions for the fundraiser.

If you have any questions, please reach out to Jesse Simpson or Emily Zikoski, Development Coordinator at JDRF (ezikoski@jdrf.org or 412-258-1318).

## THANK YOU FOR SUPPORTING YOUR STUDENTS WITH T1D!

### STEP 1

Inside your collection envelope you will find individual envelopes for each child in your class consisting of an information flyer and a coloring page. Please pass one out to each student to take home.

**KEEP THE LARGE ENVELOPE!**

### STEP 2

Each morning between March 8th and March 22nd, please collect donations from your students and put them in your collection envelope. *During this stage, it's always a good idea to keep reminding your students about the fundraiser, because the class with the most donations will win a pizza party!*

### STEP 3

After you collect donations on March 22nd, please turn your collection envelope and all JDRF colored sneakers into the main office. The money will be counted by a JDRF staff member, and coloring contest/top classroom winners will be announced!
